

## Improve your offer « in English »

### Theme

*PUBLIC SPEAKING « IN ENGLISH »*

### Pedagogical objectives

Today, European and global-oriented businesses and organizations are more and more present on the French stage. Being at ease with English has become an inescapable part of doing business and can considerably influence a client or buyer's decision-making process regarding a major project. How can I better organize my proposition? How can I get to the essentials of my presentation? How can I better manage my priorities and profit from various presentation tools?

### The added value of this training

Beginning with a personally prepared presentation in English, the objective of this day together is to learn how to improve and give more muscle to your English presentation, and work on your power of conviction when you take the stage, in addition to observing yourself and others in action in a risk-limited environment.

### Duration

1 day -- 7 hours
